

PICKHILL CHURCH OF ENGLAND PRIMARY SCHOOL

...ACHIEVING MORE TOGETHER

Autumn Term November 6th 2014

You can also see Newsletters on our website

www.pickhill.n-yorks.sch.uk

Thank you to everyone who helped to raise money for Osmond by buying a bag of sweets today. We have raised £20. Everyone will be able to buy sweets (children large and small alike!) on a Friday up until Christmas by sending in the yellow envelope with the necessary amount of money and the bags of sweets will then be handed to the children on their way home.

The Christmas Cards have arrived and they look so professional as I'm sure you will agree. A big thank you to Liza Mitchard-Harrison who worked with the children on this project. We will let you know how much this has raised for the school in due course.

As the colder weather has arrived can you please ensure that the children have hats, gloves and a warm coat. We do like them to get out as much as possible but it can get very cold on the playground. Also, could they have tracksuit bottoms and a sweatshirt for their outside games lesson to wear on top of their PE kit of white T-Shirt and Black Shorts.

A quick reminder that the collection day for 'Bags to School' is this coming Wednesday 12th November. If all bags could be outside of school by 9 o'clock that would be great. This raises a lot of money for school funds, the last collection total was £150.

Class 1

Literacy: Next week we will be exploring the features of instructions, using examples to help us begin to make our own Christmas decorations.

Numeracy: Next week we will be learning how to solve problems involving addition, subtraction, multiplication and division.

Topic: We will be exploring how materials are changed.

Please may I remind parents that it is important to be reading with your child each day for 10 minutes.

Please ensure that you are recording daily reading in your child's reading record so that they can be entered into the book raffle.

Class 2

English: We will be doing further work on China, the children will each do a 2 minute presentation on the topic.

Science: The effect of magnets on each other and on certain materials.

Maths: This week we are learning fractions.

DT: We have finished off our planning and have started making our model houses.

French: This is the second lesson on 'Les Couleurs'.

RE: We will be looking at what World War I was like for soldiers who were Sikhs.

Stars of the Week

Class 1
Isobel
Cook

Class 2
Daniel
M-H
