

# PICKHILL CHURCH OF ENGLAND PRIMARY SCHOOL

...ACHIEVING MORE TOGETHER

Autumn Term November 21st 2014

You can also see Newsletters on our website

[www.pickhill.n-yorks.sch.uk](http://www.pickhill.n-yorks.sch.uk)

Thank you to all those parents who gave their time to speak to Mrs Gillions, our SIAMS Inspector. It was a very positive day and as soon as the report arrives you will be informed.

Next Friday 28<sup>th</sup> November, at 11.15am, Class 1 will be showing their work to parents so please come along and then stay for Celebration Assembly at 11.40am.

By now you will have sent back your forms for Parents' Evening on Tuesday, we are looking forward to seeing you then.

Don't forget to take advantage of the 'Drop and Shop' session next Saturday 29<sup>th</sup> November.

Just to advise you that our Mission Statement has been revised and is available on the website.

Next week is the deadline for sending in Morrisons vouchers, so if you have any lying around the house please do bring them in...they all help towards resources for the school.

## Class 1

Literacy: Next week we continue to make Christmas Decorations using instructions to help us. We will also be writing sets of instructions to accompany our decorations.

Numeracy: Next week we will be learning about measurements. We will be learning to measure length, weight, capacity and time.

Topic: We will be learning how to programme a 'sprite' using Scratch.

As the weather is getting colder over the next few weeks, please ensure your child has the appropriate outside PE kit. This should include jogging bottoms, a sweatshirt and trainers.

Some children have not been bringing a coat to school. Please may I remind parents that your child needs a suitable coat each day.

Unfortunately some children are not having their reading at home recorded in their reading Journal. Please may I remind parents that it is important to be reading with your child **each day** for 10 minutes. Please ensure that you record this in your child's reading record so that they can be entered into the book raffle.

## Class 2

Science: We are continuing our investigation into magnets and springs

DT: We will be working on our Illuminated House Project all of this week.

## Stars of the Week

Class 1  
Luke  
Snowdon

Class 2  
Rose  
Jefferson

This newsletter is double sided
