

PICKHILL CHURCH OF ENGLAND PRIMARY SCHOOL

...ACHIEVING MORE TOGETHER

Spring Term 23rd January 2015

You can also see Newsletters on our website www.pickhill.n-yorks.sch.uk

We are in the process of setting up Parent Pay so that all payments will be made to the school online. This will cover payments for school visits, after school clubs and dinner money, hopefully making life easier for everyone. More detailed information will follow, but we are hoping to have this up and running by the Summer term.

In the next few weeks our Schoolshop website will go live so that you will be able to order all school uniform online. The new suppliers are cheaper but retaining the same quality. In the meantime we are having a sale of all the uniform we have in stock, these are cheaper than the new suppliers as obviously we need to sell all our stock. Sweatshirts are £7.50, Cardigans £8.50 and Polo Shirts £6.00, please don't hesitate to contact Mrs Sterne regarding sizes and availability.

A Reminder

Class 1 - Our indoor PE session is on a Monday and our outdoor session is on a Tuesday. As it is still cold, please ensure your child has the appropriate outside PE kit. This should include jogging bottoms, a sweatshirt and trainers.

Class 2 - Our PE and Games lesson is on a Thursday afternoon so could you please ensure that your child has the appropriate PE and Games kit.

Class 1

Literacy: Next week we are continuing our work on Traditional tales, thinking about alternative endings.

Numeracy: Next week we will be developing our knowledge of addition and subtraction.

Topic: We will be learning more about Greek food, tasting some of the foods used in Greek recipes. We will also be learning more about the history of the lost city of Atlantis. We will be drawing and painting representations of mermaids and underwater sea life and we will learn how to use the internet to carry out research.

Class 2

English: We will be continuing our research of India and Mahatma Gandhi.

Science: We will be learning about properties and Changes of materials.

Maths: We will be learning about length and other measurement conversions.

French: We will be continuing to learn about 'La Jungle'.

Topic: We will be continuing to make our pyramids and learning about Pharaohs and mummification.
