I am pleased to announce that we have just been awarded the 'Eco School' Bronze award. Many thanks must go to the children, Miss Leech and Wendy Jefferson who have worked so hard over the last year. Onto the Silver...

Today is the last day of the Blythswood Enterprise Challenge so we will be able to tell you how much we have raised next week. A report, written by the children and photos will be sent to Blythswood. They will then decide if we go forward to the final. Whatever the outcome I think the children have had a very enterprising approach and been creative in their fundraising ideas.

Hopefully we will have a lovely sunny day next Wednesday afternoon for our Sports Day. Please come and support the children at 1.15pm.

Also could I just remind you to keep Wednesday 16<sup>th</sup> July at 6.00pm free as the children are performing the end of term play

## Class 1

**Literacy:** Within literacy we will be using our ideas gathered throughout this week to begin writing our sustained stories. We will be checking our work against our agreed success criteria, making sure that our stories have a logical sequence of events, exciting vocabulary and dialogue.

**Numeracy:** We will be learning how to solve problems using practical and written methods. We will also be learning how to find fractions of shapes and sets of objects.

**Topic:** We will be using the internet and books to record information about the life of Grace Darling, developing our ideas and designs with regard to our fact sheet and information leaflets.

## Class 2

**Music:** We are composing an 8 bar Melody.

Stars of the week
