Class 2 had wonderful day at Headingley Cricket stadium yesterday. The day started with a classroom session, learning the history of the club and teaching the children about different forms of the game and the equipment used by professional cricketers. This was then followed by a 90 minute taster session, learning the fundamental techniques of cricket. For many of our children this was the first time they had been into a cricket ground and the session proved to be a real success with them. After the children had had their lunch, the day concluded with a tour of the club's museum and stadium, including access to the players' changing rooms.

Parents' Evening times for next week have now been sent out, please check your email for details.

If you have not already done so, please could you return your photographic consent forms as soon as possible.

On Tuesday morning there will be a short service of blessing for our reflective area outside. This will be led by Bishop James, so if you are able to join us at 9.30 that morning, that would be great.
