All the children will be taking part in a problem solving day on Monday involving mathematics.

The Fire Service will also coming in to talk to all the children about fire safety on Monday.

We have raised £62.70 for Children in Need, well done everyone, the children looked great dressed up!

All the children now know what part they have in the Christmas play, 'Straw and Order'. We will begin staging the play in a week's time, so if your child has lines already could you encourage them to learn them as quickly as possible. On Monday you will receive an email telling you what costume your child will need.
