

# PICKHILL CHURCH OF ENGLAND PRIMARY SCHOOL

...ACHIEVING MORE TOGETHER

**Autumn Term 18th September 2015**

You can also see Newsletters on our website [www.pickhill.n-yorks.sch.uk](http://www.pickhill.n-yorks.sch.uk)

We had a very exciting trip to Bettys Cookery School on Monday for years 4 - 6 to take part in their brilliant bread making for schools course. The children had a great time making the bread and we all agreed the bakery tour was really interesting, especially the chocolate making room! The bread that the children made certainly looked and smelt delicious! Huge thanks go to Keith Writer for making it possible for us to go on the course. There is photo on noticeboard of our trip.

The children were so excited to see their special visitor Osmond when he visited the school yesterday to lead collective worship. Again there is a photo of that visit on our special board inside school.

A reminder that parent consultations will take place next Tuesday 22<sup>nd</sup> September after school.

### A message from Mrs Gabbott and Mrs Robson - Chair of Governors

A new committee was elected at the FOPS AGM on Monday and staff and governors look forward to working with them. We are extremely grateful for all the support FOPS provided for the school and we would like to thank the retiring committee profusely, under Laura Snowdon's leadership, for all their hard work and commitment. They have supported our school in many ways including organising some superb social events and raising funds for much needed equipment in school. Thank you to you all.

## Class 1

**Literacy:** We will be learning how to improve our sentences by using a range of punctuation.

**Numeracy:** we will be learning how to add 1,2 and 3 digit numbers

**Topic:** We will be learning about where we live

## Class 2

**Topic** - We are going to begin to plan our television programme on the plague.

**English** - We will be writing our own poems featuring figurative language.

**Art** - We are beginning to compose our own piece of cubist artwork.

**Maths** - Adding focus using mental and written strategies and solving problems

## Pupils of the Week

**Class 1: Austin Waddington-Kelly**

**Class 2: Lawrence Whitmarsh**
